

Willow Ridge CA COMMUNITY CLEANUP

Hey Willow Ridge CA! Each year the City of Calgary Waste & Recycling Services and Community Standards partner up with community associations to help residents get rid of unwanted household items and property waste. This event saves residents a trip to the landfill for items that do not fit in their waste and recycling carts for residents that do not have cart service by providing three packer trucks with crews (two for waste and one for organic materials). This service is free to all Calgarians.

Please note that participants will be required to follow all active provincial and local public health measures during Community Clean-up events. For more information visit alberta.ca/covid-19-public-health-actions.aspx and calgary.ca/covid19.

The following items **MAY NOT** be brought to the cleanup site:

- Tires
